Product Description

The Pantum M7102DW is a high-performance multifunction printer Print / Scan / Copy ideal for offices and busy workspaces. Delivering fast 33 ppm (A4) / 35 ppm (Letter) printing at 1200x1200 dpi resolution, it ensures sharp, professional-quality documents. Equipped with a 525MHz processor and 256MB memory, plus versatile connectivity via USB, Wi-Fi, and Ethernet, this printer supports duplex printing and ADF scanning, handling up to 60,000 pages per month efficiently. Reliable and productive, the M7102DW boosts office workflow with superior performance.
