Product Description

The Netis P110GH is a high-performance 8-port PoE Gigabit switch ideal for home, office, and small business networks. Featuring 8×10/100M PoE ports, 2×10/100/1000M uplink RJ45 ports, and a 1×1000M SFP uplink slot, it ensures fast, reliable network connectivity. With 7.6G switching capacity and an 8K MAC address table, this PoE switch delivers stable data transmission and supports multiple devices efficiently. Its plug-and-play design makes installation simple, perfect for IP cameras, access points, and network expansion.
